1. What was new and most challenging for you in the text/message this week and why?
2. Why are we so prone to wander from the Gospel? In other words, why do we come to begin our walk with Christ, but then revert back to living by religion, moralism and trying to please God by what we do?
3. Describe the work of the Spirit in your life. How have you experienced the work of the Spirit in your own life and how does that inform your present and future?
4. Why do we need to continually hear the Gospel in order to continually believe the Gospel? Can you draw some comparisons or analogies from other spheres of life?
