Moving Toward Worship Together

The main art in the matter of spiritual living is to know how to handle yourself. You have to take yourself in hand, you have to address yourself, preach to yourself, question yourself... You must turn on yourself, upbraid yourself, condemn yourself, exhort yourself, and say to yourself: 'Hope thou in God'—instead of muttering in this depressed, unhappy way. And then you must go on to remind yourself of God, who God is, and what God is and what God has done, and what God has pledged Himself to do. - Dr. Martyn Lloyd-Jones
